INFORMATION

Please complete in full and return to:
Tina Laurie either via the online funding
form or by scanning a completed form
and emailing it to: tina@cucsa.org.uk

Clubs, societies and teams not connected with the higher education institutions at Crichton University Campus and Crichton University Campus Students' Association will not be considered.

Application for funds for the 2014/2015 session must be returned by 5pm on the 5th of January 2015. Projected expenditure should be estimated where an exact amount cannot be predicted and funds will be released when they are required.

All funding awards will require copies of receipts for expenditure.

Funding for individual projects or clubs, societies and sports teams which form after 5th January 2015 may still be eligible for funding so please contact a member of CUCSA for more information.

Conditions of funding:

Any hardware or equipment funded by CUCSA remains the property of CUCSA and cannot be used by or sold on to any third party without prior consent.

An evaluation report must be completed at the end of the project, or at the end of each year for continuing clubs and societies.

All CUCSA funded organisations will be expected to have a presence at the Freshers Fair to encourage the continuation of the club.
